ANOTHER YORK CASE.

It Proves That There's a Way Out for Many Suffering York Folks.
Just another report of a case in York. A typical case. Kidney ailments relieved in York with Doan's Kidney Pills.
J. Y. Lucas, carpenter, Main St., says: "The effects of a cold settling on my kidneys and also occasionally straining my back at carpentering, caused my kidney trouble. The worst complaint was a constant ache across my back and the pains were more severe when I sat down for a while. I didn't rest well at night and got up mornings tired and stiff. Sometimes when I stooped, sharp catches caught me in the center of my back and took my strength. My kidneys acted irregularly, and I had to get up several times at night on that account. I got two boxes of Doan's Kidney Pills from Shieder's Drug Store and they cured me."

GONE FOR GOOD.
Four years later, Mr. Lucas said: "It gives me pleasure to again recommend Doan's Kidney Pills. Doan's cured me and I confirm my former statement."

A Better Store In 1923

IF IT WERE POSSIBLE, we should be glad to personally thank every person, white and colored, who has been a patron of the McConnell Dry Goods Company during the year 1922. As this is impossible we here and now want to express to one and all our most sincere thanks for your patronage, whether that patronage has been much or little. We appreciate the trade of the small buyer as we appreciate the business of the bigger buyer—it is your good will that counts as much as your purchases. Without your good will we would find it better to close up. To be sure we thank you and for the coming year we wish for you all the good things that you could possibly desire—good business, good crops, good health, peace and plenty.

A STRICTLY CASH BUSINESS

And just here we want to emphasize again, That this is a Strictly Cash Store. We do not want any Credit business. We cannot take care of it and be fair to YOU and to Ourselves. But be assured that when you buy here for CASH you will get a full 100 cents in value for every dollar you spend at this store. We thank you.
